MINUTE ORDER IN CHAMBERS

On April 20, 1998, (#9 and #10) defendants Religious Technology Center and Church of Scientology International filed motions to dismiss. On May 11, on motion of plaintiff, the Court extended the time for plaintiff to file oppositions to said motions to dismiss to May 11, 1998. Plaintiff has failed to respond to said motions within the time permitted by the order of the Court and rules of this court.

IT IS, THEREFORE, HEREBY ORDERED that plaintiff shall have an additional period of 15 days from date of entry of this order within which to file responses to said motions and to show excusable neglect for having failed to timely respond thereto.

In that plaintiff has received a lengthy period within which to respond to the motions, if he fails to comply with this order, the motions will be granted. The Court has reviewed the said motions and they appear to be facially well taken.
